What Our Customers Say

Our satisfied clients include global corporations, leading local companies, public sector buyers, as well as a vast array of professional service providers.

„We have now been able to prepare more tenders globally, as we have received notifications for opportunities which we were not previously receiving.“

Alex Fairie
DirectorOnCall

“We have, through Opexx, been able to bid on a number of projects outside of our usual geographical sphere.“

Austen Smith
Senior ArchitectFarrells

„We are able to find previously awarded contracts and ensure that we touch base with prospects before the contracts are up for renewal.“

Darren Fiander

Jumbotron with nav-tabs & Form-inline and toggle link in bottom (show More/Less)

Live Tenders & Winners are the tabs links which shows the live tenders or winners at a time.

When user clicks on Show More/Less the section should toggle in bottom to show more option and toggle up for less (user JavaScript for toggle).

Opexx – Online Coding Internship

Nav-tabs behaviour:

Currently Winners section is active.

Show More/Less Toggle:

A screenshot of the Opexx website's search form. The form is located under the 'Winners' tab. It contains several input fields: 'Keyword', 'Location', 'Min Value', 'Max Value', 'Buyer Name', 'CPV', 'Published' (a dropdown menu), and 'Deadline' (a dropdown menu). At the bottom of the form, there is a 'Show More/Less' toggle button. A vertical arrow points from the 'Show More/Less' button down to the text below.

Use Bootstrap tags input for the input in keywords and Location

Bootstrap Card Layout with

Card-heading: image, price , button

Card-body: list of services

Each card is occupied 4 columns on large devices (lg, md) and 12 columns on small devices (sm ,xs).

When user hover on particular cards change its border color. By default border –color of highlighted card is green.

Opexx – Online Coding Internship

For the testimonials section used Jumbotron and place images and its texts in grid manner.

We are currently offering a pay per lead payment scheme to selected clients in a closed Beta. [Click here](#) if you want to learn more about this program.

Need more countries or licenses? Prefer to receive an invoice? Our payments team is here to help you out. [Contact us](#) for personal support.

Featured testimonial

Opexx has allowed us to find more business opportunities than ever before. Within a few months from using the service, we even won a tender we found on the platform!

Friedrich Rojahn
